

# NORTHEAST FIBER AREA APPLICATION FORM

## FIBER AREA WILL REPRESENT FARM PRODUCTS.

The items sold must originate from livestock on your farms. They cannot include food products. Keeping in tune with alpaca, llama and sheep, we are mainly looking for fiber products – items to be sold for display or clothing.

**LIVESTOCK ATTRACT A CROWD** – if you are able to bring some of your animals, they will draw potential customers to your booth. Demonstrations will also draw a crowd. Please let me know if you are able to work with your livestock at your booth to educate the public.
