2010 LIVESTOCK EXPO

THE PATH OF DISTINCTION

The Northeast Livestock Expo is proud to invite breeders of beef cattle, sheep, goats, and llamas to bring a representation of their exceptional breeding stock, to be displayed either in stall tie-ups or in display pens. If you wish to participate and promote your breed but cannot bring your animals, please consider renting an 8' display table at the 'Path of Distinction'. We would also like to invite agricultural based groups to exhibit and promote their programs as well. It's a great opportunity to educate the public, advertise your breeding program, and network with other farmers at the largest agricultural event in the northeast!

Farm/Ranch Exhibit.....\$25/table
 Showcase your farm or ranch with an 8' table display in the Livestock area. An excellent opportunity to promote your operation.

Tie Exhibits.....\$20/head
 Showcase your animals in the tie area in the Livestock Area. Stall fee includes bedding.
